September 7th, 2020

To whom it may concern

We are glad to inform that Mr. Uttam Mittal completed a remote Frontend Software Developer internship with Donatio Technologies Inc in August 2020. He successfully delivered the code required in HTML, JavaScript, React and CSS.

Mr. Uttam has a good understanding of web technologies. He is also willing and capable to learn new skills as required. He is proactive and diligent on the job. Mr. Uttam also has good communication skills and is open to receiving feedback.

He contributed successfully and we wish him the best for his future.

Balaji Venkatesh
Donatio Technologies Inc.
